

W1000

Robust + affordable protection

Protection against the most disruptive and destructive power anomalies

Innovolt's W1000 is your ideal power protection solution. The W1000 protects against damaging power disturbances before vital equipment can be harmed. This product focuses on value while delivering surge and noise protection.

Innovolt's technology is a step above the rest

Through its innovative and patented solutions, Innovolt is proven to increase uptime while lowering service costs on mission critical devices, thereby delivering a greatly enhanced customer experience.

The Innovolt W1000 provides noise filtration and superior protection of connected equipment for AC lines, tele/fax, and surge.

Benefits For You

- ✓ Reduced service calls
- ✓ Increased equipment reliability
- ✓ Longer equipment lifespan
- ✓ Fewer truck rolls
- ✓ Increased productivity
- ✓ Better customer experience

Product Model // W1000-15-120

PARAMETER	W1000-15-120	
Nominal operating voltage	120 V, 60 Hz	
Max. continuous current	14 A	
Voltage surge per UL 1449	500 VAC L-N 500 VAC L-G 500 VAC N-G	
	TEL	DATA
Connector	RJ11	RJ45
Clamping voltage	180 V	8.5 V
Protected lines	4-5	1-2, 3-6, 4-5, 7-8

Plug

Receptacles
